

How to convert municipal waste into useful energy : Rayong Municipality does it!

18 November 2005
Rayong Orchid Hotel

As part of the COGEN 3 Follow-up Activities under the EC-ASEAN Energy Facility Programme, we have the pleasure of inviting you to a seminar and site visit to the project successfully implemented by the Rayong Municipality for the conversion of municipal wastes into useful energy. During the seminar, Thai developers and European equipment suppliers will explain how this state-of-the-art cogeneration project was designed and implemented. This will be followed by a site visit to the Rayong Municipality Cogeneration Plant.

Participation in the seminars and site visit, as well as local transportation in Rayong, are free, but registration is required. To register, please complete the attached registration form and return it to the following fax numbers: 02-6427075 or 02-6427099, not later than Friday **11 November 2005**.
